William Campbell High School

William Campbell High School, an accredited five-year high school, is located on Highway 501, Naruna, Virginia. It is a consolidated high school with an enrollment of 500 students from Brookneal, Gladys, and Naruna. There are 28 faculty members. Mr. James E. Strickler has served as principal of the school since its founding fourteen years ago in the fall of 1951. At that time 251 students were enrolled and of the 16 faculty members, 8 remain on the faculty list today. (Mr. J. J. Riegel, Mr. Dennis Riddle, Mrs. Christine Crabtree, Mrs. Dorothy Fore, Mrs. Myrtle Fore, Mrs. Elsie Payne Guthrie, Mrs. Myrtle Straw, Mrs. Arline Whitlow).

The school is named for William Campbell, a general who distinguished himself because of his heroism in the battle at King's Mountain during the Revolutionary War.

The main building consists of 14 classrooms, a chemistry lab, biology lab, general science lab, a library, art room, music room, home economics department, cafeteria, gymnasium, guidance room, and offices. The elementary building, directly behind the high school, and the agriculture building, located to the right of the main building, complete the school scene.

A Word from your Editor

SCHOOL SONG

"When all of William Campbell fall in line,
We're going to win again another time,
We're going to win or die or know just why,
You know that blue and gray will always reach the sky.

Rah! Rah! Rah!

William Campbell, watch your step-
And always keep that good old Campbell rep!
You know that William Campbell's unsurpassed,

unsurpassed!
Rah! Rah! Rah!"

It is the purpose of the staff of this fourteenth edition of THE GENERAL to arouse within the hearts of the student body a school spirit that will reveal team-work and fair play.

Our yearbook is to be a memory book of the school year 1964-1965. It will help us remember those people and recall those events that we shall always associate with William Campbell--

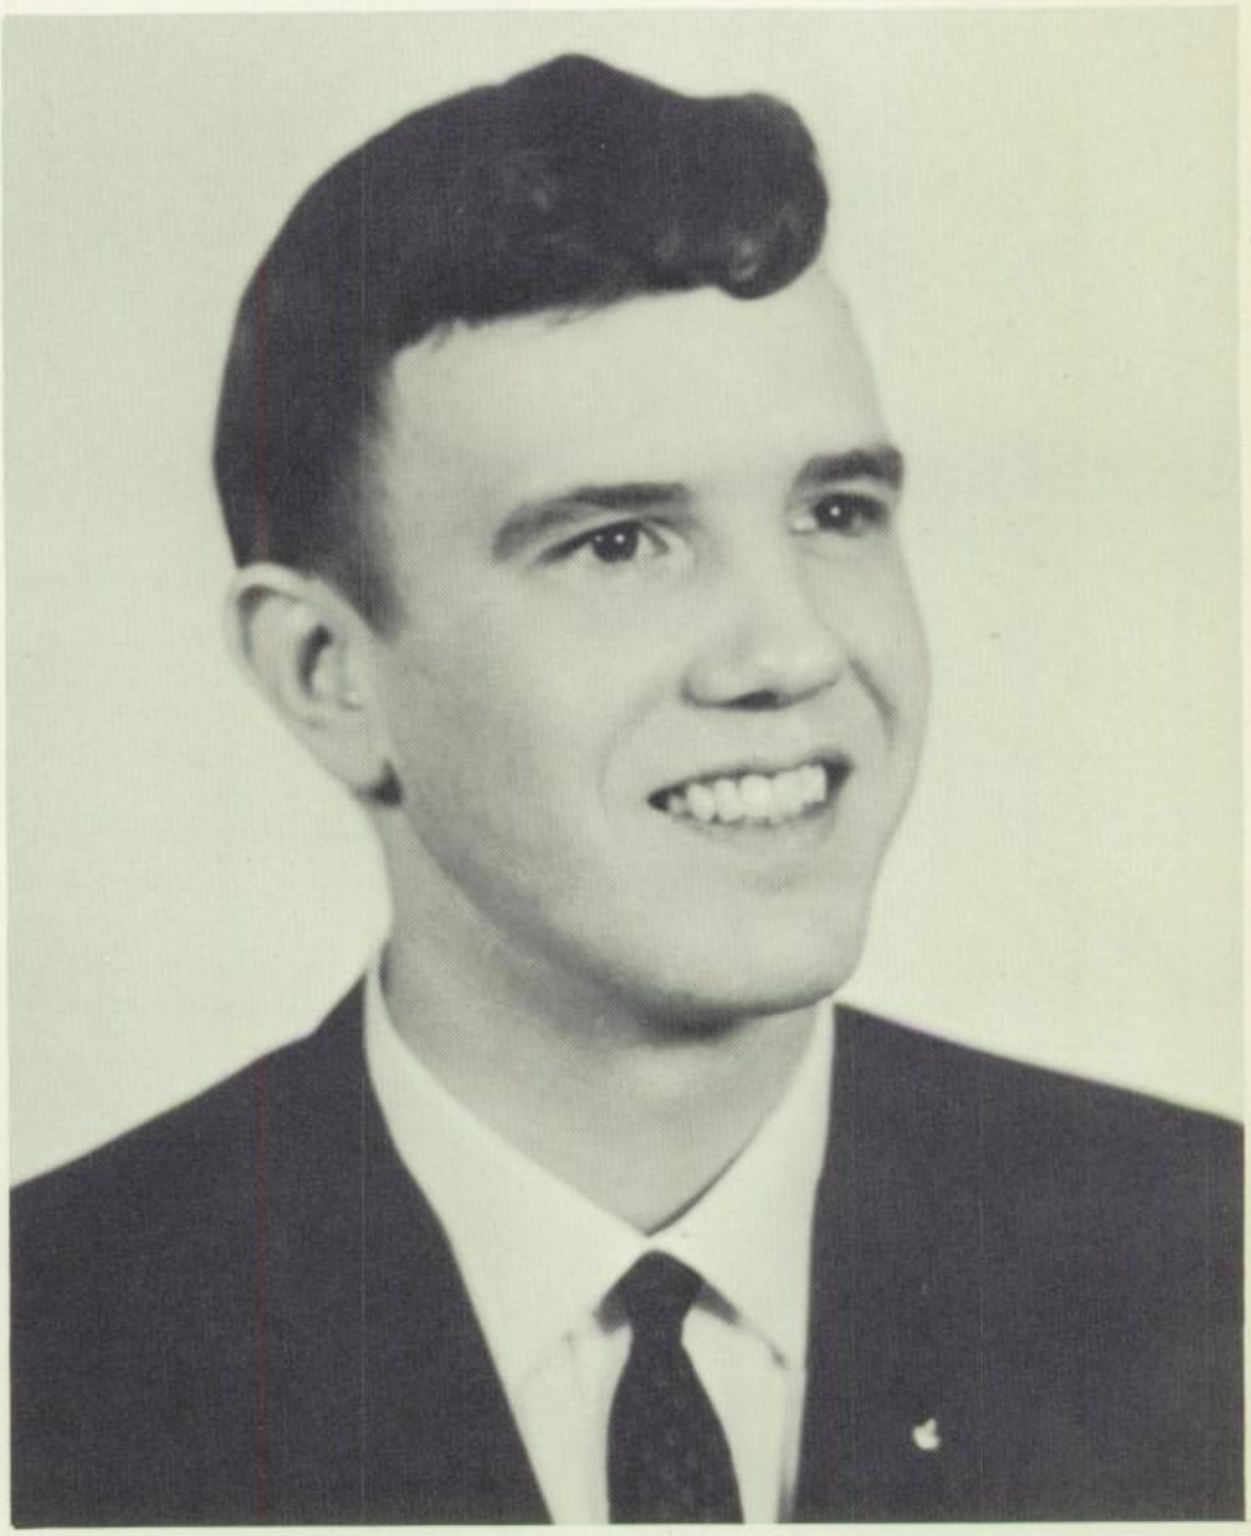
Dedicated To . . .



MR. KENNETH W. BOOTH

It is with honor that we, the Senior Class and the Annual Staff of the 1965 GENERAL, do dedicate our annual to a constant friend and an understanding teacher, MR. KENNETH W. BOOTH.

The services performed by Mr. Booth for William Campbell as an advisor to the Senior Class and to the VOX DUCIS staff have proved invaluable in keeping up a good school spirit.

Interested in all phases of school life, Mr. Booth worked with various committees responsible for the beginning of William Campbell's first football team.

Three Strikes—And We're Out!

SCHOOL BEGINS--STRIKE ONE

Buses arrive at Wm. Campbell from 8:30 A.M. to 8:45 A.M. bringing students from Gladys, Brookneal, and Naruna areas. At 9:00 A.M. the action of the day begins as all students report to their first period class.

LUNCH TIME--STRIKE TWO

Lunch time has arrived. The students who have their fourth period classes upstairs are in the cafeteria from 11:50 A.M. to 12:05 P.M.; the grade students have lunch period from 12:10 P.M. to 12:35 P.M. Students who have fourth period classes downstairs come to the cafeteria from 12:40 P.M. to 1:00 P.M. Each high school group has a ten minute break following the lunch period.

SCHOOL ENDS--STRIKE THREE

A regular school day of classes ends at 3:00 P.M., but for those who participate in extra-curricular activities, it is only another beginning. Annual and newspaper staff meetings, sports practices, play practices, and teacher's meetings are a few of the many phases of school life carried on after school.
